Freshman Physicals

All freshmen are required by Illinois State Law to have a complete physical examination and submit the completed State of Illinois Certificate of Child Health Examination (included in these materials) prior to July 1, 2017. **The physical must be completed within one year of beginning 9th grade and dated on or after 8-16-16.** Required immunizations include: One Tdap dose, Polio Booster, Hepatitis B series, two doses of MMR, and two doses of Varicella or proof of chicken pox diagnosis.

If your student intends to participate in Athletics, the State of Illinois Certificate of Child Health Examination will fulfill this requirement. **However, a sports physical DOES NOT fulfill the requirement for entrance into 9th grade.**
